Scope

BlockOffice reviewed the documents supporting PreStocks' tokenization of economic exposure to the Referenced Company, provided by PreStocks together with publicly available information, as of the Report Date. This review is an independent professional assessment of the materials provided; it is not a statutory audit under ISA, GAAS, PCAOB, or equivalent standards. Nothing in this report constitutes financial, investment, legal, regulatory, or other professional advice, nor a recommendation or solicitation to buy or sell any token or asset. Prospective and current token holders are encouraged to independently review PreStocks' published terms and documentation.

Token Supply Verification

Mintable Token Supply	✅ 1,312.00 tokens
Minted Token Supply	✅ 1,311.99 tokens

Each token represents economic exposure equivalent to one share of the Referenced Company. The Mintable Token Supply is the maximum number of tokens PreStocks may issue against its offchain backing; the Minted Token Supply is the number of tokens currently in onchain circulation. BlockOffice independently verified both supplies and confirms that the Minted Token Supply is fully backed by the Mintable Token Supply.
